Term 3 2019-2020

Here is what the pupils thought about last term....

Room 3

- "I learned to recognise money and to use it to pay for things." Aiden
- "We learned Christmas songs and sang them in our nativity, it was really fun." Matthew
- "The best thing was the Christmas party because we got to play and dance." Millie
- "I was a star in the nativity and I was amazing!" Andrew
- "We learned lots of new sounds and we can read them and write them." Isla
- "I really enjoyed counting and adding numbers together." Jessica

Room 2

- ◆ "I enjoyed learning my new sounds." Taylor
- ◆ "I was the big star and I could shine!" Leon
- ◆ "I loved being in our show and I was a villager." Fraser
- ◆ "I had to look after the sheep when I was a shepherd." Freddie
- ◆ "I enjoyed making a Christmas card for my Primary 7 buddy." Blake
- ◆ "I loved when Santa visited us. I touched his beard and it was very soft." Kieran
- ◆ "I enjoyed seeing Santa." Olivia G

Wow, term 2 was a blast, the children worked so hard to put on a magnificent nativity show. While we were rehearsing for this we were working really well learning more jolly phonics sounds and tricky common words to help us to make great progress with reading. We started recording our maths addition work and learned all our coins and are beginning to be able to add coin values. We enjoyed a visit from our local policeman and at our Christmas party we had a very special visitor in a red suit. Mrs Tait, Mrs Coyle, Mrs Ross

OUR TERM 3 FOCUS

This term we are learning about winter and weather. We will be investigating and measuring the different weather that affects Renfrew in winter.

We are celebrating all things Scottish this month. We will be listening to and learning Scots songs and poems, learning some ceilidh dance moves, and Scottish traditions.

We are continuing to enjoy our PATHS time with Twiggle the turtle and his friends. This term he will be teaching us to do 'turtle' to help calm us when things upset or anger us.

In maths we will be working with 3D shapes, fractions and time as well as continue to add and subtract numbers.

We will be learning about Fairtrade and hope to invite you in to learn more about it during Fairtrade Fortnight.
