

P2 Class Newsletter

Term 3 2019-2020

Here is what the pupils have to say....

- ♦ "I liked learning doubles in maths." - Logan
- ♦ "I liked learning how to count coins." - Ellie
- ♦ "I liked adding sums." - John
- ♦ "I liked adding money up." - Lucas

- ♦ "I'm excited to do our farm topic." - Katie
- ♦ "I am looking forward to more cutting and sticking activities." - Chris
- ♦ "I'm excited for our trip." - Lucy
- ♦ "I'm looking forward to the trip." - John

It's lovely to see everybody back and hear about all the nice things everybody did over the holiday! In Term 2 we enjoyed playing a variety of games to develop our numeracy and maths skills. We even made up some of our own games! This term we have been learning all about different coins and practising adding up money and calculating change. We have also been learning about giving and following directions.

In language we are continuing to work on our phonics and spelling strategies. We have been working really hard in reading, learning lots of strategies to help us become better readers.

OUR TERM 3 FOCUS

This term we are learning all about farms. We will be exploring different types of farms and the different jobs farmers have to do. We will be learning about how farming affects us and the journeys our food makes from farms to our plates. We will also be learning about different farm animals and their needs. As we are approaching the change of season from Winter to Spring, we will be learning about new life and how the jobs of farmers change from season to season.

This topic will provide us with lots of opportunities for outdoor learning, science, writing, health and wellbeing and drama. We will also be taking a trip to the National Museum of Rural Life where we will see some of the machinery used on farms in the past as well as some animals.

DATES TO REMEMBER

- 27th Jan. Teacher led Clubs Begin
- Weeks 3rd and 10th Feb - Modern Languages Focus
- 5th Feb Jotter Sharing 2-4 pm and 4-6pm in hall.
- 7th Feb INSET Day
