Belle

Belle is a smart, confident young woman from a small village. Looking for a **strong singer and actress** who is able to stand up to Gaston while showing compassion for everyone else.

Beast

The Beast is a young prince who was hideously transformed. Looking for a student who can handle this **complex character**: a dictator, a hurt child, a hero, a defender and a smitten prince. Although the Beast does **sing a small bit**, this is **truly an acting role** (and his lyrics can be spoken if you cast a non-singer).

Narrators

The Narrators need to be **good at speaking**, with good enunciation and projection. **No singing** needed. You will guide the audience on the focus and pace of this beautiful tale.

Gaston

Gaston is pompous, good looking and will do whatever it takes to win Belle's hand. Looking for a **strong singer and actor**. Great confidence and gusto is a must.

Lefou

Lefou is Gaston's dim-witted lackey. This character is the funny character who gets all the laughs. Lefou should be able to **sing, act and dance a bit**.

Maurice

Maurice is an aging and eccentric inventor, but more importantly, the adoring and protective father of Belle. This **non-solo singing role** is perfect for the student who can have fun interpreting this crazy old man while conveying some very strong emotions: fear and fatherly love.

Lumiere

Lumiere is a confident, charming French maître d' who (under the enchantress's spell) is becoming a candelabra. Lumiere should be a **strong singer and fun actor** who can light up the stage in "Be Our Guest." If you have a student who can handle the French accent, fantastic!

Cogsworth

Cogsworth is the British major-domo of the castle who is becoming a clock. Cogsworth enjoys feeling like the boss and has no problem getting into it with Lumiere. Cast a **good actor and singer who can act in charge**.

Mrs. Potts

Mrs. Potts is the castles endearing cook who is becoming a teapot. The **actor** you cast needs a **strong, sweet voice** and should be able to convey comforting, maternal qualities amidst the chaos that is breaking out in the castle. Look for a student who can play a **loving mother figure** to all the characters.

Chip

Chip is Mrs. Potts' son who is becoming a teacup. Chip is one of the cutest characters that everyone loves. Looking for someone who can do **a little singing and a few lines**.

Madame De La Grande Bouche

Madame De La Grande Bouche is an opera singer who is becoming a wardrobe. Looking for that student who can portray the **ultimate diva** with a heartwith an outsized personality and voice. Madame has **some harmony lines** with Mrs. Potts and Babette.

Babette

Babette is the maid of the castle who is turning into a feather duster. She misses the finer things in life. Babette is happy to be at Belles service at a moment s notice, but her true heart comes through in Human Again. Look for a good actor with **solid vocal skills** to handle Babettes harmonies.

Les Filles De La Ville

Les Filles De La Ville are in love with Gaston and will do almost anything just to be near him. Look for **three friends** who can portray the comic nature of these roles and enjoy playing of each other.

Old Beggar Woman/Enchantress

The Old Beggar Woman/Enchantress should be portrayed by an actor with a flair for the **visually dramatic as this is a non-speaking role**. After the Prologue, this student may join the ensemble as a Villager or castle Servant.

Servants and Villagers

The inhabitants of Belle's town and the Beast's castle (Statues, a Dust Pan, Flatware, Plates, an Egg Timer, Napkins, a Carpet, Salt & Pepper Shakers, etc.). They should be able to handle group singing and dancing in two big production numbers.
