School Trips Consent Forms

Any pupil looking to attend an organised school trip, **must** hand in their completed consent form, with payment, **no later than the date given** on the bottom of the form.

We have an increasing number of pupils handing forms in the day of the trip, which is not allowing staff to fully prepare. It is important that we have names and numbers in advance.

If we do not have a completed consent form and payment by the date given, pupils will not be able to attend.

Fast-paced biopic celebrating the world famous 'father' of reggae music, **Bob Marley**. The film traces his life from his beginnings in poverty in Jamaica, his move to London in 1972 to his early recordings with Island Records, and his involvement with politics which resulting in an attempt to kill him. Kingsley Ben Adir (**Peaky Blinders**) is incredible as Marley, and James Norton (the baddie in **Happy Valley**) is the boss of Island Records. About

Micro-Tyco is a free leading global entrepreneurship competition which challenges young people to work together to develop innovative solutions to address The United Nations Sustainable Development Goals (SDGs).

This challenge asks young people to identify an issue, aligned with an SDG of their choosing. Students then have 30 days to develop their solution. By working in collaboration with our corporate partners, young people are provided with the inspiration to build their idea, the knowledge to guide it, and the networks to amplify it.

The Micro-Tyco experience helps young people to develop an innovative, entrepreneurial mindset, regardless of their background.

How it Works

- Select and research an SDG that needs your attention. Progress your teamworking skills, through brainstorming and collaborating with your peers.
- Explore the Micro-Tyco method with your team, think entrepreneurially to come up with an innovative solution to your chosen SDG.
- Collaborate with our corporate partners, who will provide expert feedback and guidance on your innovations.
- Adapt and improve your existing idea. Consider your idea's feasibility, making creative decisions to overcome any barriers.
- Submit your final idea, for the chance to be considered to present at The Micro-Tyco finals to a judging panel of representatives from global leading brands.
- The top-performing teams will then be shortlisted to attend The WildHearts Awards Ceremony, which has previously been held at The Houses of Parliament.
