Monday 07<sup>th</sup> October 2024

## Today at a glance...

### Events

### After School Activities (3.20 – 4.20)

- Please see below Timetable.

## New Announcements

1

### Bus Pass

Please tell all pupils that they need to keep the bus pass on their persons at all times to get on the bus. In addition, they must not switch buses at any time unless they have a written bus pass from the office and they are all colour coded so the drivers know which bus the pupils are supposed to be on and they cannot go on any bus they wish. This is VERY IMPORTANT.

Could you ask these pupils to come at break or lunch to collect their bus pass:

**Free Webinar**

Are you planning on applying to university or college? Then why not consider a degree in Computing? There is a digital career for everyone! It does not matter whether you are already thinking about a career in digital technology, or whether you are still unsure about your options.

So, join us at the 'Meet the Learner – College and University Students,' event on Tuesday 5th November at 09:00 to 09:45am to hear from university and college students who are studying undergraduate degrees in Computing and are taking their first steps towards a career in tech!

At this free, online event students will be talking about their learning journeys, explaining:

- Why they chose to study Computing at university or college;
- What they're learning;
- What they enjoy most about their courses and
- What they intend to do after their studies.

To book your place visit: <https://forms.office.com/e/G9M1Tn2Y0B>

**Free Webinar**

Are you thinking about your next steps? Then why not consider a Graduate Apprenticeship in Computing?

Graduate Apprentices learn while they earn. They are employed by a company but study for part of their week at university and gain a degree at the end of their studies.

It does not matter whether you are already thinking about a career in digital technology, or whether you are still unsure about your options.

So, join us to find out more at the 'Meet the Learner – Graduate Apprenticeships,' event on Tuesday 26th November at 09:00 to 09:45am to hear from university students who are studying Graduate Apprenticeships in Computing and are taking their first steps towards a career in tech!

At this free, online event Graduate Apprentices will be talking about their learning journeys, explaining:

- Why they chose the Graduate Apprenticeship route;
- What they're learning and how they learn;

K.  
McCreadie
