TIME

Can you design an eye catching poster on the theme of 'time' to help celebrate British Science Week?

Some points and questions to get you going:

- Think about your own time, how do you spend it?
- What about "time" in the world and beyond?
 - How do we measure time – seconds, days, seasons, centuries?
 - What about time in space?
- Do you know of any scientists whose work relates to time? What about time travel in film, TV and music?
- How has technology changed over time?

OPEN TO S1-S3 PUPILS

Making your poster – now to get creative. Posters must be A4 or A3 in size and you can use any materials you choose.

Submitting your poster – give your completed poster to your Science teacher by Thursday 14th of March.

Winners – the top 5 posters will win an Easter-egg, they will also be entered into the National competition, with a chance to win even more prizes!
