FREE WEBINAR

Are you planning on applying to university? Then why not consider a degree in Computing?

There's a digital career for everyone! It doesn't matter whether you're already thinking about a career in digital technology, or whether you're still unsure about your options.

So, join us at the 'Meet the Learner – University Students,' event on **Thursday 16th November at 14:00 to 14:50am** to hear from university students who are studying undergraduate degrees in Computing and are taking their first steps towards a career in tech!

At this **free, online** event students will be talking about their learning journeys, explaining:

- why they chose to study Computing at university;
- what they're learning;
- what they enjoy most about their courses and
- what they intend to do after their studies.
