## Is your child turning twelve?

Young Persons' Free Bus Travel Scheme

From their 12th birthday, they'll need a National Entitlement Card with their photo to access free bus travel.

If your child is turning twelve, you will need to apply for their new National Entitlement Card (NEC) with a photo so they can access free bus travel.

Photo-less NECs are valid until the day before your child's 12th birthday, and you can apply for their new card with their photo any time from their 11th birthday. You can choose between a Young Scot NEC, which also provides rewards and discounts and is a PASS accredited form of ID, or a non branded NEC.

Open up a world of possibilities with easier access to education, social and leisure opportunities. And save money on public transport, making regular journeys and new adventures more affordable for your family!

Find out how to apply and read tips for parents, guardians and carers at [freebus.scot](https://www.freebus.scot)

### Laptops- A12

Pupils are reminded that the laptops which can usually be found in A12 must only be used in the middle corridor in the A block- ie the English, Media and Modern Language classrooms.

You can usually collect them from A12 at the start of the period or when granted permission by your teacher. You are very welcome in A12 but please try to remember that any pupils in the class are learning. Sometimes the laptops may be in another class on this floor, and sometimes they may all be booked by a teacher.

Permission is NOT granted to take the laptop to anywhere else in the school, either upstairs, downstairs or in the lift.

Pupils should only collect ONE laptop at a time. BOTH hands should be used.

Laptops must be returned for charging at the end of the period or when you are finished with them.

Any student in the Book Nook using a laptop is politely requested to return the laptop to A12 after use.
