Fast-paced biopic celebrating the world famous 'father' of reggae music, **Bob Marley**. The film traces his life from his beginnings in poverty in Jamaica, his move to London in 1972 to his early recordings with Island Records, and his involvement with politics which resulting in an attempt to kill him. Kingsley Ben Adir (**Peaky Blinders**) is incredible as Marley, and James Norton (the baddie in **Happy Valley**) is the boss of Island Records. Needless to say, the music will have you dancing in the aisles.
