

Perth Academy - S4 Personalisation Form - Session 2020/21

Completed forms should be returned to the school office no later than Tuesday 11th February

Name		Class		Guidance Teacher		Intended / Aspirational Career	
What are your plans beyond S4? (please circle options that apply to you)		Return for S5	Transition to College	Enter employment			

<i>All learners must study English and Maths in S4. In addition, you should choose to progress your studies with 5 subjects you are currently studying in S3. (See notes)</i>	
1	
2	
3	
4	
5	
In the event of one of your choices not being available, please indicate your next preference from your three remaining S3 subjects	

Notes:

1. All pupils will have core PE, PSE and RME.
2. Classes will only run if there is sufficient demand. It is not possible to guarantee that everyone will get their first choice.
3. In very exceptional circumstances, it may be possible to start a new subject in S4. Any pupil thinking about doing this, should see Mr Ross first.
4. Courses in Construction Craft Skills, Introduction to Engineering, Hairdressing and Beauty Skills are open to S4 pupils at Perth College. If opting for this, you should be aware that you may miss a small amount of time in one of your other subjects. Acceptance on a Perth College course is subject to a successful application and interview.
