1. The group talked about their personal experiences within other pupil councils and gave the group good ideas for taking this new pupil council forward. Ideas:
  - Organising fundraising events
  - Planning trips
  - Campaigning on issues that affect pupils i.e Climate change/ recycling/ use of one time plastics etc.
  - School uniform- having the choice of wearing white OR black shirts.
  
2. Pupil council info board.
  - Pupils talked about positive additions to their designated information board within the canteen.
  - Pupils agreed that they could get photographs taken to show on the board so that other pupils could find them.
