

Our Behaviour Policy

Our aim is to provide a consistent approach to improving relationships and behaviour across the whole community. Within Curriculum for Excellence we are all expected to be proactive in promoting positive relationships and behaviour in the classroom, the school grounds and the wider school community.

At Kinlochleven High School we aspire to

- Be respectful and considerate of the environment, ourselves and others in it
- Always come to school ready to work

We do this by following the classroom standards

- Show respect for ourselves, other pupils and staff
- Keep hands, feet and unkind words to yourself
- Listen to the person who is meant to be talking
- Turn up for classes on time
- Finish eating any food or drink before you enter your class
- Bring pencils, pens and other equipment to school
- Take off your coat, jacket or hoodie
- Always attempt to complete your work

UNCRC Article 28 - We should all take appropriate measures to ensure that school discipline is administered in a manner consistent with the child's human dignity and in conformity with the present convention.
