

Perth & Kinross  
Summer Activities

2019

**HELLO SUMMER!**

**Childcare & Family  
Information Service**

There are lots of activities going on across the Perth & Kinross area over the summer holidays, but sometimes it can be difficult to find out about everything that is happening.

Perth & Kinross Council's Childcare & Family Information Service has compiled this booklet to give children and families a few ideas about where they can go to have some fun. There may be lots of other activities going on in local areas, for more information please check community websites and local social media sites. The [Early Learning & Childcare PKC Facebook page](#) will also provide details of other activities as we find out about them.

Some information on holiday activities is available on the national website [www.families.scot](http://www.families.scot) under the Perth & Kinross area Holiday / Leisure category. Term time activities, family support and a wide variety of other information are also available on the site, as well as details of childcare services and toddler groups across Perth & Kinross.

### Culture Perth & Kinross, Libraries

The Summer Reading Challenge begins for primary children across Britain. We invite you to visit your local library from the 22nd of June and participate in the space chase challenge.

Various events and activities will coincide with the challenge and we want you to take a journey with us to learn about space. From amazing astronauts to zero gravity, space has much to teach us.
