

Our Lady's Christmas Show

Costumes

As part of the School Christmas Show, we are asking all P7's to dress up as angels as well as a specific character that they have been assigned in the show. To dress as angels could your child please bring in a large oversized white t-shirt and some silver tinsel. Please do not go to any expense and use what you have at home or buy something inexpensive. If you have any spare white t-shirts available we would be grateful to use it.

Your child may also have been asked to bring in clothes from home as part of their costume for their character they are playing in the show. If so, please see the list below:

Could all costumes please be in by **December 6th** in a bag labelled with their name. Any clothes or costumes brought in will be returned after the school performance on December 14th.

We hope you can make it along to watch the show and see all our hard work.

Thanks for all your help and support,

Miss Forrest and Miss Tulloch
