

Jump in to North Inch Library this October

Join us at North Inch Library on Thursday 10 October for an entertaining afternoon with something for everyone!

Discover our Digital resources with demonstrations of our 3D printer and scanner, staff will be on hand to talk about our e-resources including e-books and e-audiobooks. Find out how computer games and animation is done with our adult Code Club taster session and discover your family tree with our Ancestry session. Craft and Lego activities for children and there will also be information about the latest developments with the City Hall and stands from Live Active, Action for Hearing Loss and lots more. Tea and Coffee will also be available.
