

'Little Gifts of Joy Appeal'

We would like to help Raluca Tanase, who runs the Volunteer Programme at the Marie Curie Children's Cancer Hospital in Bucharest, Romania. We would like to make sure that we spread the joy of Christmas to the children in the hospital who won't get any presents as they are orphans or their families are too poor. Please help us by gathering the following items to create 'Little Gifts of Joy' to give to the children and families who are in hospital over Christmas. Please return any donations by Friday 29th November.
