Dear Parent / Carer

Letham Summer Lunch Club will be running again this year over the summer holidays offering a range of fun activities, day trips and a yummy lunch for everyone who comes along. We will be running from Letham St Marks Church who have kindly donated the use of the building to us, as Letham PS is undergoing extensive renovation works this summer.

We recognise that summer holidays can be long and expensive for many families and by offering this programme we hope that it can alleviate some of the boredom and stress that comes with having to find ways to entertain and feed the kids for the 7 week break.

The holiday programme is completely free (including trips) and open to all Letham, Goodlyburn and Our Lady's Primary School families.

Please complete the booking form and return it to you school office as soon as possible. Priority for the bus trips will go to families who attend the other sessions regularly, thereafter they will be allocated by names out of a hat.

We look forward to seeing you there! Please return by 26th June.
