Dear Parents/Carers,

On Friday you were informed that school would be open to the children of key workers and to those identified by the school. Since then the First Minister has spoken and Perth and Kinross Council have announced that due to new measures to prevent the spread of Covid-19, all schools in Perth and Kinross will be closed to staff and pupils tomorrow and until further notice. I attach a statement from Perth and Kinross Council which has already been shared with you via seesaw. I apologise for the changes but I know that you will understand that it is out with our control.

We had very much hoped to support the invaluable work of key workers. In order to support this, PKC will set up Hubs that will be open from Thursday to provide childcare for children whose parents fall into this category.

Those who are entitled to Free School Meals will be provided with a direct payment – again, see the attached statement on how to arrange this.

I apologise for all the changes at this already difficult time but we must follow the advice of the government in order to prevent the spread of this virus.

From tomorrow, I ask that your child engages with the learning set by their teacher via seesaw. I had intended to share a suggested timetable and websites with you this evening but I will do so tomorrow morning instead as there has already been a lot of information shared tonight.

I will ensure that you are updated to the best of my ability as soon as information becomes available to me.

Please follow public health guidance and stay safe. We are still contactable via email if you need us.

Yours sincerely,

Mrs Lynne Mendes
Headteacher
