

PUBLIC INFORMATION SERVICE

Are you worried about coronavirus in your community? Please remember anyone who has been a close contact of a case should self isolate for 14 days. Testing is available for anyone with symptoms through www.nhsinform.scot

If you have a positive test, the Test and Protect team will ring you to help identify close contacts, so please look out for their call.

If you are based in Perth and Kinross please call 0345 30 111 000 for support.

If you are worried about money then please call to apply for a crisis payment.

If you are worried about food then please call to arrange an emergency food parcel.

If you are worried about housing, schools or social care then please call for advice.
