Thursday 1st February 2018

Dear Families,

NOTIFICATION OF INSPECTION

We received notification this week that we are going to be inspected.

HM Inspectors from Education Scotland will be visiting us to conduct an inspection during the week commencing **19th February 2018**. You can find out more about inspection, from the [Inspection and review documentation](#) pages of Education Scotland's website.

As part of the inspection, Inspectors gather the views of stakeholders via an online survey which is available from <https://forms.education.gov.scot/s/SAIQX/>. We will make this link available on our twitter feed and our school app. If you have a child in the nursery the link is: <https://forms.education.gov.scot/s/IHIGZ/>

The survey will be LIVE until THURSDAY 8th FEBRUARY 2018.

This survey is short and will take approximately 5 minutes to complete. I would encourage you to complete the survey and ensure that your views are noted. You should complete the survey for one of your children or if you would like to give us more information, for each of your children in attendance. The surveys will then be collated and shared with us during the inspection process.

Inspectors will also be meeting with groups of parents during the inspection. The inspection team have arranged to have parent focus groups on **TUESDAY 20th FEBRUARY**. There will be a variety of times available for this and we would welcome your participation in this. You should indicate on the online survey if you are available to support us in this way.

If you have any questions about this and would like to find out a bit more about it and what it would involve, then please do contact me directly and I can give you more information.

Thank-you for your continued support.

Kind regards,

Lynne Lambert
Head Teacher
