Dear parent/carer,

The NSPCC's *Speak out. Stay safe.* programme is visiting our school to make sure our pupils have the knowledge and understanding they need to stay safe from abuse.

I'm pleased to tell you that we will be working with the NSPCC, the UK's leading children's charity, who'll be delivering their *Speak out. Stay safe.* programme on Monday 27th and Tuesday 28th January. This is a nationwide programme for every primary school aged child in the UK and Channel Islands. With the help of their friendly mascot Buddy, they'll be presenting assemblies to the children in our school as well as a workshop for P6 and P7.

"NSPCC has helped me to build the confidence to tell people about my worries and problems." Child's feedback

What is the *Speak out. Stay safe.* programme?

Through child-friendly, interactive assemblies and workshops their specially trained staff and volunteers will give our children information about how to keep themselves safe from harm and how to get help if they have any worries, sensitively discussing issues like bullying and different forms of abuse, without using scary words or adult language.

We have studied the content of the materials and heard from other schools who have participated and are extremely confident that they are appropriate for primary school

aged children and link with experiences and outcomes within the Health Wellbeing curriculum. By the end of their visit, we're convinced children will feel empowered – knowing how they can speak out and stay safe.

"This service provides important information in a child-friendly way – it should be made mandatory in all schools. A brilliant service!" *Teacher, Wistaston Primary, Crewe*
