

MAY 2018 – SPORTS DAY EDITION

SPORTS DAY

The weather is set to be lovely on Monday - looking like we will not have to reschedule Sports Day.

As a reminder the timings for Sports Day have altered:

P4-7: 9.30am Start

P1-3: 1.35pm start

Please could you ensure that:

- Your child comes to school with a **WATER BOTTLE** – this can be refilled in school
- Your child is wearing **SUNCREAM** before they come to school in the morning
- Consider if your child needs a sun HAT

ALL pupils are invited to wear a t-shirt in their HOUSE COLOUR for the day. Pupils can come to school dressed in their sports clothing for the day.

Learners across the school have been working hard this term on Athletics. All pupils have completed the 80m heats, 200m heats, 800m, cross-country, cricket ball throw and long jump, the finals of the events will be completed on Sports Day. Points will be added to work out a Junior Sports Champion (P4/P5) and a Senior Sports Champion (P6/7).

Prior to Sports Day we consulted with our pupils, teachers and Parent Council and the feedback we received has resulted in us keeping the same format for Sports as we have used in previous years.

We will have seats out on the day, especially for our RDM Grandparents, but please do feel free to bring a folding chair if this would be helpful.

If you are unable to attend Sports Day, we do hope to be able to tweet very regularly throughout both the Infant and senior sports, in order that you can keep up to date with what is going on.

Following information gathered during consultation, please find below the programme of events for Sports Day, should you only be able to make it along for a short time.

PRIMARY 4 TO 7 SPORTS
