

Kids Clubs and wraparound care services

Kids Clubs offer childcare after school; some services also operate during school holidays or in-service days. There are twelve Kids Clubs across the Perth & Kinross area, run by the Childcare Strategy Team, part of the Council's Education and Children's Services Department.

Wraparound Care (WAC) services offer childcare after nursery class sessions for three and four year olds and after school hours for primary age children. They also offer full day care for nursery and primary age during school holidays and on In-Service Days. There are three WAC services based in schools in Crieff, Luncarty and Perth which are managed by the local school, supported by the Childcare Strategy Team.

The services are registered with and inspected by the Care Inspectorate, inspection reports can be viewed on their website. Staff working in Kids Clubs and Wraparound Care Services are required to register with the Scottish Social Services Council.
