

Dear Parents/Guardians

As you may be aware Perth and Kinross Council are looking to support the start up of a parent run Safe Start Scheme before school. Just after Christmas parents were asked to fill in a questionnaire to note interest, the responses were promising and it looks like in principle there would be enough support to start this scheme.

A small group of interested parents met with the Perth and Kinross Council and have been able to secure start up funding. Our next steps are to establish how many parents are in need of this service and on what days, we also need parental support to make this happen.

The Safe Start Scheme would open from 8 am within Fossoway Primary School.

Our aim is to launch this scheme in August if we have enough children and parental support to make it happen.

We invite you to a meeting on Tuesday 28th May from 7.30 pm at Fossoway Primary School to tell you more about it and to answer your questions.

We hope to see as many parents as possible here that would use the service.

Kind Regards

Andrea, Kirsty, Alan
