

In Primary 6 skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, group work, and a variety of independent and cooperative learning activities and experiences.

Learning Intentions

Literacy:

Writing - We will be learning to:

- write personal recounts (writing about an event)
- apply spelling rules in all our writing

Reading - We will be applying our skills to:

- take notes about a topic in order to create our own text

Listening and Talking – We will be learning to:

- listen and follow instructions (specific listening skills tasks)
- listen to others' thoughts and give our own opinion during discussions

Numeracy and Maths - We will be learning to:

- develop our mental and written strategies to solve calculations using addition, subtraction, multiplication and division
- apply numeracy skills through problem solving and investigative tasks
- investigate and apply knowledge of 2D & 3D shape including properties, symmetry and tessellation (tiling) and nets

Health and Wellbeing – Personal and Emotional

Context: 'Wreck it Ralph'

We will be learning to:

- Identify and discuss social and emotional well-being including managing emotions such as anger, friendships, empathy, self-worth, resilience and the importance of positive mental health.

Health and Wellbeing – Personal and Social Education

Context: 'Building Resilience – Look on the bright side'

We are learning to:

- Understand that our feelings and reactions can change depending upon what is happening within and around us to help us to understand our own behaviour and the way others behave
- Identify strategies to manage our emotional wellbeing
- Explore positive relationships and the impact they have on our emotional wellbeing

Health and Wellbeing – Physical Education

Context: outdoor fitness circuits/Hockey

We are learning to:

- Develop our understanding of how keeping active affects our physical and mental wellbeing
- Develop and sustain our levels of fitness with a focus on stamina, speed, core stability and strength
- Practise, consolidate and refine our skills to improve performance
- Develop personal qualities in relation to motivation, confidence and self-esteem.

PE days are every Monday and alternate Tuesdays & Wednesdays

How you can support: Encourage your child to become familiar with their iPad and the technology it offers; experiment, learn together, let them teach you (!) and have fun together.
