

In Primary 6 skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, group work, and a variety of independent and cooperative learning activities and experiences.

Learning Intentions

Literacy:

Writing - We will be learning to:

- write poems using a range of techniques such as alliteration, similes, metaphors and repetition.
- apply spelling rules in all our writing
- check and edit our own and others work

Reading - We will be learning to:

- analyse fiction and poetry texts, giving evidence to support our responses

Listening and Talking – We will continue to:

- listen and follow instructions (specific listening skills tasks)
- listen to others' thoughts respectfully and give our own opinion during discussions

Numeracy and Maths - We will be learning to:

- develop our mental and written strategies to solve calculations using addition, subtraction, multiplication and division
- apply numeracy skills through problem solving and investigative tasks
- develop and apply our knowledge of time
- choose suitable amounts to measure with and develop our ability to convert amounts of length, mass and volume

Health and Wellbeing – Personal and Social Education

Context: 'Building Resilience – Be kind to Others' resource

We are learning to:

- identify different kinds of friendships and relationships
- identify the skills required to manage changing relationships (tolerance, empathy, loyalty, resilience, mutual trust, respect)
- explain the impact of positive relationships on emotional wellbeing

Health and Wellbeing – Physical Education

Contexts: Creative Dance, Tennis and mixed skills (curling, table tennis, volleyball)

We are learning to:

- select and apply dance skills to create, rehearse and perform a dance to selected music
- develop and refine own dance repertoire through exploration and practice
- explain and justify own creative choices with supporting reasons
- give and accept constructive feedback on own and others' performance
- develop our co-ordination, balance and control and kinaesthetic awareness
- be respectful and supportive of others within a game context, working as a team, being responsible and adopting a leadership role when needed.

PE days are every Monday and alternate Tuesdays & Wednesdays

How you can support: Continue to support your child to develop their skills using their iPad, including remembering to charge them at home where possible. Encourage reading at home – both in preparation for group reading and for pleasure.
