

Primary 7 Teaching and Learning Overview

Term August to October

Learning Intentions

Literacy and English: This term we will build on our note taking skills and be able to organise information under suitable headings and use these to create new texts. We will focus on listening and responding appropriately to others in a respectful way across a range of contexts. We will listen for information for a specific purpose in order to carry out tasks with an increasing level of independence. We will continue to develop our knowledge and understanding of spelling rules and grammatical skills to help improve the fluency and flow of our writing. In French we will be using vocabulary to carry out daily routines and develop our written and conversational skills. We will further develop our spoken Spanish through greetings and vocabulary about ourselves.

Numeracy and Maths: We will continue to extend our numeracy skills through adding, subtracting, multiplying and dividing decimal numbers. We will be exploring and investigating the properties of circles using simple equations. We will link work with 2D and 3D shape through our investigation of artists and their use of the visual elements in relation to shape and colour.

Health and Wellbeing: At Dalguise, personal challenges, responsibilities and friendships will be our focus. We will work together to support each other sensitively, whilst developing our own resilience in unfamiliar surroundings. In P.E through hockey we will be developing our movement skills, competencies and concepts which include spatial awareness, attack and defence, accuracy control and stick work. We will explore new strategies to develop our skills in managing our emotional well-being including journaling and making effective use of our 'Health Hub'

How you can support: Our focus for Home Learning is our 'Reading Challenge' which asks pupils to read for a sustained amount of time both for enjoyment and to gain a deeper understanding of texts. P.E. is on Monday and Thursday. P.E. kits must be in school at all times. We will be taking our learning outdoors throughout the year so please ensure your child has appropriate clothing in school.
