

Hansel and Gretel - Story Mountain

I am developing an understanding of how to structure an imaginative story

Opening - What is the start of the story? Who are the main characters? What is the setting?

Build up - What happened? what are some of the problems to solve?

Problem - What is the main problem or obstacle?

Resolution - How do the characters deal with the problem? How will they solve it?

Ending - What happens to the main characters? Do they live happily ever after?
