

Teaching and Learning Overview P4M

Mrs Moore

August—October 2021

Through our contexts for learning, pupils will:

- listen to or watch non-fiction texts in order to gather information and identify the main ideas in the texts. They will use this information to sort, order or classify living and non living things.

Through daily literacy activities, pupils will:

- develop their reading fluency and comprehension.
- apply known spelling patterns to all written work and will make use of all taught spelling strategies when attempting to spell unknown words.
- develop their understanding of grammar and sentence structure with a focus on checking their own work according to writing success criteria.

Numeracy and Mathematics

The pupils will:

- continue to develop a range of counting and calculation skills, building on quick and accurate recall of number facts.
- identify and draw different types of lines including vertical, horizontal, parallel and perpendicular. They will apply this knowledge when working in the contexts of symmetry, 2d and 3d shape and when giving/following directions.

Health and Wellbeing

Pupils will explore how physical activity contributes to their health and wellbeing.

Pupils will explore what it means to be resilient and explore strategies for coping with life's ups and downs.

In PE, pupils will develop their aim, coordination and cooperation skills through ball skills and team games.

The children will also develop their awareness of the outdoor environment and how it can support their wellbeing.

Contexts for Learning:

Sorting Living and Non-living things

Food Chains

In Primary 4 skills, knowledge and understanding are developed through a range of teaching and learning opportunities.

These include direct teaching, targeted group time and a variety of independent and cooperative learning activities.

How you can help at home...

Remind your child to bring their iPad to school daily, charged and ready to learn.

Continue to support your child with Reading Home Learning and encourage them to read a variety of texts out with their class reading book.

Home Learning:

- **Reading** will be set regularly.
- **Tricky Word** lists can be practised on 'Spelling City' which is saved in Safari on their iPads.
