Breakfast Club

Join in the fun!

- It is widely accepted that breakfast is the most important meal of the day and by providing a healthy, balanced breakfast and a relaxed, social atmosphere in which to eat it, your children are being offered a great start to the day.
- The club takes place in the school dining room with food items such as cereals and toast being regularly available and plenty of occasional items such as yoghurts, fruits, special toasts, omelettes, muffins and porridge.
- The breakfast club has dedicated staff.
- There are activities available each day for either groups or individuals – all children will be involved and if on some days they just want to read on their own – well, that's OK too.
- The breakfast club will not normally require you to reserve places – it works on a drop-in basis. Accordingly it is your responsibility for the child's safe arrival into the school – school absence procedures will not be active until normal class time begins.
- School crossing patrols are not in place earlier.
- Children remain under the supervision of the club staff until the start of the school day, unless you request otherwise.
