

RATTRAY PRIMARY SCHOOL

Home Learning due to Covid Restrictions

Over the coming days, class teachers will be providing children with home learning. Each class teacher will provide learning tailored to the needs of whole class, groups and individuals in their class.

Primary 3 – 7 class teachers will issue home learning on Teams. Children will also receive a home learning jotter which is to remain at home. Learning undertaken at home can be completed in this jotter and/or uploaded to teams dependent on the request of class teacher. The class teacher will provide home learning instructions through Teams on a weekly basis. Reading books will be issued to every child. These should come to school every day and will be replaced when appropriate. Children will have their reading book and will not share with other children. All reading books will be quarantined for 72 hours before being reissued to other children. Any reading related tasks can be found on Teams.

Primary 1 - 2 class teachers will issue home learning every Monday for return on Thursday, this may include reading, sounds and number work. From time to time other learning activities may be added to Teams by the class teachers, therefore it is important that P1-2 parents check their child's class team pages regularly. Children will have their reading book and will not share with other children. All reading books will be quarantined for 72 hours before being reissued to other children.

All pupils will be reissued with their glow and education city logins. Teams can be accessed through Glow logins.

Unfortunately, at the beginning of each academic session Glow passwords need to be reset. Your child's login will remain the same, glow passwords have been changed using the following pattern and is based on your child's year group rather than their class.

All P1 pupil's passwords are **ratray1**
All P2 pupil's passwords are **ratray2**
All P3 pupil's passwords are **ratray3**
All P4 pupil's passwords are **ratray4**
All P5 pupil's passwords are **ratray5**
All P6 pupil's passwords are **ratray6**
All P7 pupil's passwords are **ratray7**

Upon logging in and re-entering the above password, your child will be prompted to reset their password to a personal one of their choice. We would advise this is written down somewhere as a reminder.

Also attached are instructions on how to access Microsoft Teams which will be helpful for those parents new to Ratray.

If you have any queries regarding home learning and accessing Teams please don not hesitate to get in touch.

Teaching staff email addresses

Please find below the contact email addresses for all class teachers which can be used to support you with home learning and accessing teams. Teachers can also reset Glow passwords if needed. For any other IT issues please contact myself or Mr Brown via the main school email address rattray@pkc.gov.uk which will be accessed each day.
