

## Core Learning

### **In Expressive arts**

- I will explore sound and rhythm through using instruments and creating music. (EXA 0-17a)

### **In Health and Wellbeing**

- I am learning to include others in my play. (HWB 0-08a)
- I am learning to build relationships with other children and the adults around me, and, if I need help, I will know who to go to. (HWB 0-44b)

### **In Literacy**

- I am learning to take turns and develop my listening skills through my play, and focused activities & games. (LIT 0-02a/ENG 0-03a)

### **In Numeracy**

- I am learning to count on, order numbers and understand quantities. (MNU 0-02a)

## **Abernethy Nursery Learning Tree**

Class: Nursery

Date: Term 1 2021

### How can I help at home?

Can you make your own musical instrument at home? Please share on Seesaw if you do.

Can you look for bugs in and around the garden? Which ones can you see?

### Nursery info this term

We have said a fond farewell to our Play Assistant, Ms Thomas, who has taken up an ECP post in various schools within PKC. We wish her all the best.

Miss Laing has now taken up the post of Play Assistant and we warmly welcome her to nursery; Miss Laing has worked in the school for a number of years, so she is a very familiar face to us all. It's lovely having her in every day.

**End of term - Fri 8<sup>th</sup> October**  
**New term - Mon 25<sup>th</sup> October**

## Interdisciplinary Learning

- I am learning about living things. The children are displaying an interest in ponies and bugs so we will explore and learn about these animals. (We will look at books, sing songs, research questions, and facilitate their play as appropriate) (SCN 0-01a)
- We are learning our Golden Rules and the 5 Point voice scale which teaches us about different voice levels and when to use them. (A copy of this voice scale has been sent home for your support in teaching this, thank you)

## Opportunities for personal achievement

- We will continue to celebrate our achievements from within and out with nursery.
- We will be using Seesaw regularly to share our learning and next steps.
- Help prepare snack and be responsible helpers when asked.
