Dear parent/carer,

Information on the Nursery

I am writing to let you that the NHS Lanarkshire Public Health have been assessing a number of covid19 cases affecting children and staff who attend the nursery. As a precautionary measure we have decided to close the nursery for a few days given that there are a number of children and nursery staff self-isolating and to enable us to do a further enhanced clean.

We will provide you with an update on Wednesday.

The school will remain open as normal.

Yours sincerely

Dr S Josephine Pravinkumar
Consultant in Public Health Medicine
NHS Lanarkshire
