Dear parent/carer,

### **Information on the Nursery**

I am writing to provide you with an update following the NHSL Public Health letter on Sunday when we advised that we have been assessing a number of covid19 cases affecting children and staff who attend the nursery. As a precautionary measure we decided to close the nursery for a few days given that there are a number of children and nursery staff self-isolating and to enable us to do a further enhanced clean. As there is still a number of children and staff isolating we believe it would be best to re-open the nursery on Monday.

We appreciate the inconvenience this may cause some families but this decision has been taken as a precautionary measure in the best interests of children and staff in the nursery.

The school will remain open as normal.

Yours faithfully

Dr S Josephine Pravinkumar  
Consultant in Public Health Medicine  
NHS Lanarkshire
