

Join Dyslexia Scotland and the team at Creative Briefs and take part in a real design competition!

Are you imaginative? Do you think you could design the next best thing to help the environment?

Use your creative skills to join us over three weeks (every Saturday) and your design could be chosen to come to life!

You will:

- Meet our team of tutors and designers
- Learn the design process real designers use
- Show off your creative skills and take part in our competition!

To take part you need to join us on Zoom on these 3 days:

- 18 September 10 - 11.45am
- 25 September 10 - 11.45am
- 2 October 10 - 11.45am

You won't be put on the spot – it's not like school! We will have breaks and we promise it will be good fun!

This is for young people with dyslexia aged 9+. To book free tickets click here: <https://www.eventbrite.co.uk/e/creative-briefs-online-event-for-young-people-tickets-170176108321>
