

## Numeracy and Mathematics

Children will be developing their knowledge with regards to:

- Whole Numbers
- Estimation and Rounding
- Place Value
- 2D Shapes and 3D Objects

Children will be revising both mental and written strategies appropriate to Addition and Subtraction communicating the processes used to solve these calculations using mental Number Talk strategies.

Children will develop these skills by engaging with a variety of materials to assist with their learning such as TeeJay textbooks, i-Pads and Active Maths games. All children will be challenged at a pace appropriate to their learning.

## Interdisciplinary Learning

Children will embark on their topic of choice which is 'World War Two'. After a class discussion, children have chosen the areas they would like to focus on and will do this by using primary and secondary sources to research events in the past. Children will also learn about this topic through a range of Expressive Arts activities.

## Dates for your Diary

- Friday 24<sup>th</sup> and Monday 27<sup>th</sup> September- September weekend.
- Monday 11<sup>th</sup>-Friday 15<sup>th</sup> October- October week.
- Monday 15<sup>th</sup> November- Inservice day for all pupils.
- Wednesday 17<sup>th</sup> November- Flu Immunisation.

## Homework

**Homework will be uploaded to Microsoft Teams once they are set up. Each week the children are encouraged to complete:**

Literacy- One reading task from the termly grid.

Numeracy and Mathematics- One activity which will be provided.

Health and Wellbeing- Our monthly Health and Wellbeing overview will be shared with you.

Children are also encouraged to engage in SumDog and in the IDL programme if they have previously used this. There will be a SumDog contest taking place from the 29<sup>th</sup> of October- 4<sup>th</sup> November.

## Primary 6-Class 9b

Miss Murphy

August- October 2021

## Health and Wellbeing

- Children will implement their school charter and participate in making a class charter in relation to their rights as a child.
- Children will also focus on developing their growth mindset and will use the monthly mantra to do this.

### Mantra of the Month:

September- Everyone can learn!

October- My Brain is like a Muscle that Grows!

### Right of the Month:

August- Article 42- You have the right to know your rights! Adults should know about these rights and help you learn about them, too.

September- Article 24- You have the right to the best health care possible, safer water to drink, nutritious food, a clean and safe environment, and information to help you stay well.

October- Articles 19- I have the right to be protected from being hurt or badly treated.

## Literacy

Children will be developing their skills in reading, writing, and listening and talking. To do this they will concentrate on the following areas:

- Learning about vocabulary, connectives, openers, punctuation (VCOP) and how to transfer them into our writing.
- Learning about and using a variety of Stonelaw reading strategies such as prediction, connecting, visualising, self-questioning, and summarising to improve reading comprehension. Children will do this using our class novel 'The Nowhere Emporium'. Tasks will be differentiated accordingly.
- Creating extended pieces of writing pieces in a variety of different genres using a range of stimuli to inspire their writing.
- Continuing with the appropriate spelling programmes to improve spelling using spelling rules and active tasks.

## French

Children will be extending their learning of numbers and the calendar in French as well as learning about classroom objects.

## Outdoor Learning

**Outdoor P.E-** will take place on a Friday morning with Miss Ruthven. Children should come to school wearing their kit and should bring a jacket.

- Children will be developing their ball skills in football. This will involve:
- Kicking- Learning to pass the ball to a target or partner accurately.
  - Dribbling- Keeping the ball moving around the pitch with great control and accuracy.
  - Teamwork and Communication- Understanding that these skills are equally as important when participating in a successful game of football.

Children will also have opportunities to learn outdoors where they will develop their skills in:

- Working in a successful team.
- Communication
- Coordination and Concentration
- Trust and Respect.
