

## Numeracy and Mathematics

Children will be developing skills in:

- Learning and consolidation of the four processes
- Times Tables
- Number Talks
- Symmetry
- 2D shape
- 3D objects

All learners will be challenged at a pace appropriate to their learning.

## Health and Wellbeing

Children will be developing skills in:

- Developing positive relationships within the new class
- Football
- Growth Mindset – using positive language
- Emotion Works – continue to use this resource where children will can describe their emotions, understand what triggers their emotions and how to deal with these emotions.

## Homework

Our homework focus is **Reading** and children are invited to do one or more **discussion** tasks each week with an adult at home. A Maths task will also be provided each week, with our focus this term being Times Tables.

Children should access Microsoft Teams through Glow, where they can access both the Reading and Maths tasks in FILES.

Children who use **IDL** should complete this at home, ideally for one hour per week. Children can also use Sumdog at home.

## Room 8 - Primary 4/5

Mrs Miller

August-October 2021

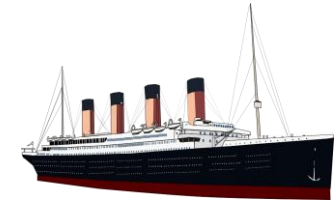

*When she's not in school, Mrs Miller enjoys spending time in her garden and walking her dog, Bonnie.*

## Dates for your Diary

- September Weekend - Friday 25<sup>th</sup> to Monday 27<sup>th</sup> September
- Sumdog Maths Week Scotland Contest 24<sup>th</sup> to 30<sup>th</sup> September

## Literacy

- We are reading The Titanic Detective Agency by Lindsay Littleson and the children are using this as the stimulus for a variety of literacy tasks, Science and Topic work.

## French

Children will be developing skills in using French vocabulary and phrases connected to weather, greetings and food.

## Outdoor Learning

Children will be developing skills in:

- Symmetry
- Kite design and flying
- Taking inspiration from nature to create with natural resources
