Date: 12th January 2021

Dear Parents/Carers,

Happy New Year! I hope you all had a lovely, relaxing break.

Our World of Work Week was due to take place on Monday 25th January until Friday 29th January, however, following on from the First Minister's announcement on 4th January about schools moving to remote learning until at least 31st January, we have decided to postpone this event. We apologise about this and hope to host this event in the near future once the children have returned to school. This will allow the children to engage with their peers about the range of different jobs on offer and widen their experiences of the World of Work, as well as learn collaboratively about the different jobs available and the skillset they require to do these jobs.

If you would be willing to participate in this event, we are asking volunteers to send in a short video explaining about the skills and responsibilities involved in their jobs. It would be great if perhaps the video could include some props or equipment required for particular careers. The video could also include some answers to the questions that the children may have about different careers. Questions from the children would be sent to volunteers prior to this event.

Thank you to those of you who have already expressed an interest in participating in this event. I hope to be in contact soon with a new proposed date for our World of Work Week.

Yours sincerely,

Miss Natalie Munro
