

Robert Owen Memorial Primary Parent Council's current constitution states a maximum membership of 25.

We would like to propose a temporary increase to the membership from 25 to 35 for session 2020-2021.

If any parent/carer has an alternative proposal, they should email ***rompsparents@gmail.com*** by Wednesday 11 November.

Following our next meeting on Thursday 19th November, our constitution will be available on the school website.
