Dear Parents and Carers,

As we come to the end of our first term, I would like to, once again, thank our children who have adapted so well to the "new norm" and followed the new procedures as if they have always been in place.

All of the staff in the School and in our Early Learning and Childcare setting also deserve a massive thank you for their hard work and dedication during these ever-changing and difficult times.

Finally, I would like to thank you, our parents and carers, for your continuing support and understanding. The positive comments you have shared with us are very encouraging and we truly appreciate them.

Now that the children are familiar with the new routines, I would ask that after the October Holiday, as soon as your child goes into the line in the morning, that you please leave the playground via the playground gate following the one way system. Please do not wait until the bell rings at 9am. If you have children in our Early Learning and Childcare setting, please do not re-enter the school playground after you drop your child off. This will assist us in fostering independence in our children, as well as helping to reduce the risk of overcrowding in our playground. I have been asked by South Lanarkshire Council to ensure that all adults in the school grounds, including parents and carers, adhere to the 2 metre social distancing rule.

Please note that more members of staff have decided to wear masks where and when they feel it is appropriate in and around the school grounds.

All five members of the Senior Leadership Team will endeavour to be present from 8:50am until 9:00am in the morning and when the bell rings at 3:00pm. Please note however, that this is not always possible due to staff absences, phone calls from external agencies and dealing with incidents as they arise. If you require to speak to a member of the Senior

Leadership Team, please contact the school office and they will arrange a call back.
Members of the Senior Leadership Team will be unable to speak to you before 9:00am and between 2:45pm and 3:15pm.

I would like to wish you all a very happy and safe October break and we look forward to welcoming our children back on Monday 19th October 2020 at 9:00am.

Kind regards,

Margo Thomson
