

## Oakbank Nursery Parent Contact Meetings January/February 2020

Nursery Parents/Carers are invited to meet with their child's key worker during the weeks beginning January 27<sup>th</sup>, February 3<sup>rd</sup> and February 10<sup>th</sup> (Mon and Tues). At this time, the key worker will share your child's nursery experiences and learning with you and revisit the 'All About Me' booklet should it be due for updating. Please note that these appointments are intended to be quite informal and due to the large number of children in our nursery are limited to 10 minutes.

Sign-up sheets will be in the entrance corridor from Monday 20<sup>th</sup> January. Each colour group will have two dates allocated to their key worker/s and you should write your child's name at one of the appointment times. There will be a sheet with additional times should they be more convenient. Parents/Carers should enter via the main school entrance and wait at the blue seated area, where they will be met by the key worker.

Please note that the children who started Nursery earlier this month will receive a settling in report in due course and do not require to make an appointment. Should you wish to discuss anything with your child's key worker, please speak to her to arrange a suitable time.
