School Fund General overview	Gen Reserves just over £2000. We are expecting a cheque for £1152 from Children in Scotland Innovation Fund which JS will be using to support communication development in nursery.	DC All
	<b>Actions to spend funds</b>	
	Boardmaker training to take place for 2 members of staff on Nursery - from innovation fund. Cost of buses for V&A opening are very expensive £1870. It was agreed that we would ask the OSC, at Monday's meeting, for a small contribution towards the cost (perhaps £400). It was also agreed that the grant of £281 from The Educational Trust will be put towards the bus cost. This will reduce the cost per pupil to £12 (£2 per journey).	JS  PM DC
