

Monday 30th August

Dear Parent/Carer

I am writing to you to thank you for all of your efforts in ensuring that our young people have returned to school after the summer holidays looking very smart in their uniforms. I truly appreciate your support with this, particularly during what has been a very challenging and unpredictable time.

I am also writing to ask for your support with another matter. Since our return to school we have unfortunately received a number of complaints from local residents regarding litter. We have taken the opportunity to speak to all pupils in their house groups over the course of the last week to raise these concerns and also to ask our young people to be mindful of our neighbours in the community. We have asked them to place their litter in the rubbish bins and not to drop litter in any gardens, in the street or on the school grounds. We have reminded them of the importance of being respectful at all times and have also made them aware that we expect them to model the high standards we pride ourselves on at Beath High School not only in the school building and grounds but also when they are out in the community.

I am hopeful that with your continued support we can work together to ensure that our young people are representing the school in a positive manner and are always showing us the best version of themselves.

Yours sincerely,

L Abbot
Depute Headteacher
