Dear Parent/Carer

HMIE visit to Beath

I hope this message finds you and your family safe and well.

I write to inform you that Her Majesty's Inspectorate of Education (HMIE) are visiting our school next week.

This is a follow up to the Inspection of February 2019.

You will be aware of the improvements the whole school community has been working on since the Inspection – we are very much looking forward to welcoming HMIE back into our school to showcase where we currently are.

Parent and Carer views will be sought by HMIE through the Parent Council.

We understand that a letter will be sent to all parents and carers by HMIE following next week's visit – this letter will report on the school's work.

As always, I thank you in advance for your ongoing support.

Yours sincerely

Steve Ross
Rector
