

# Robertson Construction Tayside (RCT) Work Experience Programme University of St Andrews – Eden Campus

## What is a work experience Programme?

The Work Experience Programme provides RCT with the opportunity to offer meaningful work experience which can provide a valuable contribution to the development of people's employability skills and career aspirations.

## Why is it a great opportunity for you?

Work experience is a great way to gain an understanding and an appreciation of our exciting, diverse and ever-growing industry. It can help you make a career choice which is right for you by introducing you to new opportunities.

We can offer various unpaid, structured work experience placements on this project. You will work alongside Robertson colleagues and our skilled subcontractors to gain valuable insight into some of the roles on offer.

## Did you know we have many roles in Construction?

Operations Manager, Project Manager, Site Manager, Quantity Surveyor, Engineer, Health & Safety, and Environmental Advisors, Joiner, Electrician, Scaffolder, General labouring. Administrators, Document Controllers, Community Impact Advisor

## How do I apply for work experience?

Simply use the QR code below and it will take you to form for completion.

You will receive an email with instructions for your placement with us.

***We look forward to hearing from you.***
