Dear Parents / Carers

As you will be aware, a five-level framework which will allow for a refreshed strategic approach to suppressing Covid-19 outbreaks across Scotland will be published on Friday 30th October 2020 and will come into effect on Monday 2nd November 2020. The Strategic Framework is comprised of five protection levels – from level 0 to 4 – and Clackmannanshire has been placed in Level 3.

For more information on what Level 3 means for you please follow this link to the Scottish Government website.

We continue to liaise closely with colleagues in Public Health and have a team of senior council officers supporting our schools. I would like to assure you that Clackmannanshire's Schools and Early Years establishments are working to ensure children and young people are safe happy and enjoying their learning.

Our Headteacher and Early Years Managers will continue to communicate directly with all parents and carers to provide regular updates.

I would like to thank you for your understanding as we work together to navigate through this difficult time.

Yours sincerely
