Dear Student

Education Maintenance Allowance Applications 2020 / 21

I am writing to you regarding the Education Maintenance Allowance (EMA) Programme. EMA is a Scottish Government fund to support young people from lower income families to continue with their studies.

If you're 16 to 19 years old you could get £30 a week to help you continue learning, through this programme.

To be eligible to apply for EMA, you **must** meet the qualifying criteria. Full details of this and further information on when you can apply can be found on the enclosed leaflet.

If you are already receiving EMA and are continuing your Education in August, you must re-apply for your payments to continue.

If you have any questions regarding EMA, please speak to your Guidance Teacher or alternatively email us at ema@clacks.gov.uk

Yours sincerely
