

For pupils intending to leave school summer 2020, the pathways team are in regular contact with Universities, Colleges and Employers in relation to offers, applications and interviews. Skills Development Scotland support our career guidance in school and are helping us make contact with pupils intending to leave this summer to offer support if required. If you would rather that they did not contact you as a school leaver or have any questions regarding them contacting you, please get in touch with Mr Clancy or Mr Arnold.

In the meantime if your child decides they do not want to return to school after the summer can we ask you to contact either Mrs McGee or Miss McEwan who will advise and help them with a post school plan.

#### Contact Details

Mr Arnold – [clparnold@glow.sch.uk](mailto:clparnold@glow.sch.uk)
