Dear Parent/Carer,

Unfortunately we will be unable to hold our full Awards Ceremony event at Alloa Town Hall this session due to the current restrictions we face. However, it is important to us that the efforts and achievements of our young people do not go unrecognised. Our staff are currently putting together our subject prize winners for each faculty and sending in their nominations for our special awards.

We would now like to invite nominations from parents, carers and our local community for some of our special awards. You will find attached a list of awards which you can nominate your child or even another Lornshill Academy pupil for by clicking on the nominations link below. At the end of the list there is a link to a Microsoft Form where you can submit the pupils name, year group, specific award/s you wish to nominate them for and reason for the nomination.

All of the nominations will be collated and discussed by our Awards Panel of staff who are randomly selected each session. They will then select each prize winner from the nominations they receive. The decision of the Awards Panel is final.

**All nominations should be submitted by 5pm on Friday 22nd May.**

**Applications received after this time and date will not be considered.**
