

With just one full week remaining until the October break, I continue to be impressed by the attitude shown by the overwhelming majority of our S3 students. They are showing a real desire to focus on their learning and this is leading to lots of positive comments from our staff. The parents' evening scheduled for November will not go ahead in the traditional format given the current restrictions and instead all families will receive a summary of learning that outlines the progress being made by their child in each of their chosen subject areas. This will be with families in the first week of November.

A value we hold in great importance at Lornshill Academy is respect and the wearing of face coverings in school is just one way in which our young people can show their respect for the wider community. By wearing their face coverings in corridors, social areas and on school transport, every student is doing their bit in helping to keep all members of our school community as safe as possible. We thank you for your continued support with this.

In terms of our commitment to share as much as possible with all members of the school community, we are currently in the process of refreshing our school website and more information is being added to this. We would welcome any suggestions about what else you would like to see on the website and it can be reached at <http://lornshillacademy.schoolwebsite.scot/>

Finally, should you have items of school uniform that are no longer required, we would gratefully take these off your hands and reuse them. Any items of uniform can be dropped off in the pink box that is the main school foyer. We would be grateful if you could bag the items rather than drop them off loosely.
